AIS Consult

Our Offices

Strategically located across the region to support delivery, client success, and scalable execution.

Riyadh Saudi Arabia:

Middle East regional focus for governance, strategy, and delivery.

Dubai United Arab Emirates:

Client success hub and cross-market execution support.

Cairo Egypt:

Delivery & support hub powering scalable implementation.

Why AIS Consult

- **Execution-first consulting:** plans translated into roadmaps, KPIs, and governance.
- **Practical governance:** clear roles and decision rights without adding bureaucracy.
- **Implementation support:** we stay through delivery to drive adoption and outcomes.
- **ROI-focused delivery:** on-time execution and measurable value.

Engagement Options

- **Insight Sprint** Rapid assessment to identify what's working, where value leaks, and where growth is achievable.
- **Strategy-to-Execution Roadmap** Execution-ready roadmap with KPIs and governance.
- **Operating Model & Governance Setup** Roles, decision rights, performance rhythm, and accountability mechanisms.
- **Delivery Support (PMO / Initiative Delivery)** Hands-on implementation support to keep initiatives on-time and outcomes-driven.
- **Executive Coaching Engagements** Targeted leadership coaching to strengthen decision quality and influence.
